1. TITLE: Overview of Implementing an STI (sexually-transmitted infection) Program <i>in a Pregnancy Resource Center (PRC)</i>	2. DATE(S) TO BE OFFERED: September 20, 2007
3. OBJECTIVES (Behavioral Terminology): See attached: "Overview of STI Services in a PRC (pregnancy resource center) Learning Objectives"	
4. OVERVIEW/DESCRIPTION: This workshop offers an overview of the provision of STI testing within the PRC setting. Participants will learn about the necessary infrastructure, understand the impact of STIs and the importance of high quality educational tools and counseling skills. In addition, attendees will be exposed to record keeping, follow-up strategies and a synopsis of policies & procedures	
5. TYPE OF OFFERING (Academic, Workshop, In-service, Independent study, etc.): workshop/seminar	
6. TEACHING METHODS: lecture, Powerpoint slides, handouts, CD of policies & procedures	
7. NUMBER OF CONTACT HOURS: * 75 minutes: 1.3 contact hours	
8. CONTENT (Outline Form): I Overview: Evaluate the community needs A. Community collaboration B. Infrastructure C. Funding/Liability insurance II. STI Testing & Treatment III. Implementing STI testing A. Policies & Procedures B. Staffing C. Scheduling IV. Quality Assurance	
9. METHOD OF EVALUATION WHEN REQUIRED: workshop evaluation	

* Independent study providers describe methodology used to determine number of contact hours.

“Overview of STI Services in a PRC” Learning Objectives

Operations—Attendees will...

- ☒ ...be able to establish the target client.
- ☒ ...recognize the need to determine image and maintain credibility within the community through providing quality services.
- ☒ ...recognize the necessity of “full circle” services for clients.
- ☒ ...recognize the importance of avoiding Mission Creep.
- ☒ ...work through the process of STI services at a PRC.

Medical Education—Attendees will...

- ☒understand the STI/Abortion health risks.
- ☒ ...understand importance of being equipped with medically accurate tools to educate and counsel in STI clinic.

Medical Components—Attendees will...

- ☒ ...recognize the need for record keeping and legalities of follow-up.
- ☒ ...have an overview of testing determination processes.
- ☒ ...become familiar with the need for standing orders for STI services.
- ☒ ...have available a synopsis of recommended protocols and policies.

CARE NET 2007 NATIONAL PREGNANCY CENTER CONFERENCE
September 19, 2007 in Louisville, Kentucky

Specialty Advance Track:
“Sexually-transmitted Infections”

COURSE DESCRIPTION AND LEARNING OBJECTIVES:

This course is a comprehensive presentation of the implementation of STI testing in a PRC setting. It will cover every aspect of initiating an STI program from community research and funding to the nuts and bolts of specimen collection and treatment options. Participants will learn ways to incorporate sexual integrity material in an effective and life-changing manner. These sessions will provide participants with an awareness of how to assess community's needs, how to integrate STI testing with existing medical services and how to put into practice the principles and guidelines presented.

Provider approved by the California Board of Nursing,
Provider Number 54-1382723 for _____ contact
hours.*

CARE NET

because the Lord has anointed me
to preach good news to the poor.
He has sent me to bind up the
brokenhearted,
to proclaim freedom for the captive
and release from darkness for the
prisoners;
to proclaim the year of the Lord's favor
and the day of vengeance of our God,
to comfort all who mourn,
and provide for those who grieve in
Zion—
that they may be called the people of the Lord,
the righteous and the faithful,
who will inherit the land and possess it forever.
For I, the Lord, have spoken and will do it.

has sent me to bind up the
brokenhearted.

The Spirit of the Lord
is upon me,
because the Lord has anointed me
to preach good news to the poor.
He has sent me to bind up the
brokenhearted,
to proclaim freedom for the captive
and release from darkness for the
prisoners;
to proclaim the year of the Lord's favor
and the day of vengeance of our God,
to comfort all who mourn,
and provide for those who grieve in
Zion—
that they may be called the people of the Lord,
the righteous and the faithful,
who will inherit the land and possess it forever.
For I, the Lord, have spoken and will do it.

and release from darkness for the
prisoners;
to proclaim the year of the Lord's favor
and the day of vengeance of our God,
to comfort all who mourn,
and provide for those who grieve in
Zion—
that they may be called the people of the Lord,
the righteous and the faithful,
who will inherit the land and possess it forever.
For I, the Lord, have spoken and will do it.

MINISTERING THE HEALING *Compassion* OF CHRIST

"The Spirit of the Lord God is upon Me,
because the Lord has anointed Me to preach
good tidings to the poor, He has sent me to heal
the brokenhearted, to proclaim liberty to the
captives, and the opening of the prison to those
who are bound; to proclaim the acceptable year
of the Lord, and the day of vengeance of our
God; to comfort all who mourn, to console those
who mourn in Zion, to give them beauty for
ashes, the oil of joy for mourning, the garment
of praise for the spirit of heaviness; that they
may be called trees of righteousness, the planting
of the Lord, that He may be glorified."

- Isaiah 61:1-3

Ministering the Healing Compassion of Christ

Care Net 2007 National Pregnancy Center Conference
September 19, 2007 – September 22, 2007 • Louisville, Kentucky

Dear Friend for Life,

We are honored to extend a special invitation to you this year to attend the 2007 Care Net conference. Our conference theme this year is "Ministering the Healing Compassion of Christ."

As your pregnancy center ministers the healing compassion of Christ to women, men, and families-in-need, it is our hope and prayer that during your time of participation at Conference you would be encouraged, refreshed, and equipped!

This year's conference will give you new information on pertinent pregnancy center issues, provide opportunities to fellowship with others, and receive personal ministry and encouragement.

You will want to take advantage of all that Louisville, Kentucky has to offer as one of the South's great convention cities. Come expecting a marvelous learning experience in the midst of a city filled with great eateries, excellent shopping, a memorable downtown section and unique visitor attractions.

In Him,

Kurt Entsminger

The outstanding gathering of speakers promises to make this year's conference the best ever. Where else can you hear such a dynamic and diverse lineup of gifted professionals address critical issues facing our culture today?

Heather Gemmen

Heather Gemmen is a sought-after speaker for conferences, women's retreats, and pro-life events around the world. Previously known for her prolific success in authoring children's books, including the best-selling *Learn to Read Bible*. Heather's memoir, *Startling Beauty*, won national acclaim through her appearances on programs including *The 700 Club*, *Montel*, *Naomi's New Morning*, *100 Huntley Street*, and through associations like Focus on the Family.

Heather is a writer and freelance editor for various Christian publishing houses. She is married to her best friend, well-known author and speaker Lawrence W. Wilson. Together they are the poster children for the new American family, growing every imaginable way through birth, marriage, adoption, and the startlingly beautiful result of a rape. They live in Indiana with their blended, multi-racial family of six children.

Kurt Entsminger

Kurt Entsminger is the President of Care Net. Kurt became a Christian in 1988 at the age of 33. In 1998, after an 18 year career as a trial attorney in West Virginia, Kurt answered a call to enter full-time ministry and joined the staff of Care Net. Kurt served as Care Net's General Counsel for 3 years, as Care Net Executive Vice President for 2 years, and was appointed Care Net President in 2003. During his tenure with Care Net, Kurt has been a strong leader in promoting standards of excellence for pregnancy centers and greater unity within the pregnancy center movement. After receiving a B.S. Degree in Economics in 1977, Kurt attended law school at West Virginia University where he served as Associate Editor of the Law Review and graduated first in his law class in 1980. While serving as an Assistant United States Attorney during the Reagan and Bush Administrations in the 1980's, Kurt received two Department of Justice Special Achievement Awards. Kurt and his wife Susan have been married for 28 years and have three children.

Dennis Jernigan

You may know the music of Dennis Jernigan rather than the mention of his name. Songs like "You're My All in All", "Nobody Fills My Heart like Jesus", "Thank You", and "We Will Worship the Lamb of Glory" as well as hundreds of others, are sung all over the world. Dennis is a song writer and leader who believes worship is all about relationship rather than performance. God's grace and the freedom Dennis has found in knowing Jesus, permeate the music God breathes through this man's heart. He and his wife Melinda, with their nine children make their home in Muskogee, Oklahoma and serve at New Community Church.

Mark Mittelberg

Mark has been the evangelism director at Willow Creek Community Church in Chicago for eight years and for the Willow Creek Association for more than a decade. He serves as editorial consultant as well as a periodic guest for Lee Strobel's weekly television show, *Faith Under Fire*. He is a frequent writer for *Outreach magazine*, the primary trainer for Luis Palau's regional friendship evangelism seminars (preparing communities for Luis's festivals), and a regular speaker for CCN (Church Communication Network). Mark has a Master's Degree in Philosophy of Religion from Trinity Evangelical Divinity School. He lives in California with his wife, Heidi, and their two children.

Paula Rinehart

Paula is the author of *Sex and the Soul of a Woman*, a book that has proven to be a useful tool for younger women dealing with sexual regrets, relationships with men, and intimacy with God. She speaks frequently on college campuses on the subject of sexuality. A marriage and family therapist, Paula is also the author of *Strong Women, Soft Hearts* and most recently, *Better Than My Dreams* (W Publishing). Paula and her husband, Stacy, live in Raleigh, North Carolina and they are the parents of two grown children.

Francine Rivers

Francine Rivers, mother of three, is an established romance novelist. Shortly after becoming a born-again Christian in 1986, Francine wrote *Redeeming Love* as her statement of faith. *Redeeming Love* continues to be one of the Christian Booksellers Association's top-selling titles.

Francine and her husband Rick live in Northern California and enjoy the time spent with their grown children and every opportunity to spoil their four grandchildren. She uses her writing to draw closer to the Lord, and that through her work she might worship and praise Jesus for all He has done and is doing in her life.

Frank Turek

Frank Turek, is an award-winning author (*I Don't have Enough Faith to be an Atheist* and *Legislating Morality*), apologist, and explorer who inspires audiences with timeless truths in these truthless times. He is a dynamic and engaging speaker who will show you why Christianity is true with his unique blend of logic, humor, and hard evidence.

Frank has searched for Noah's Ark in Iran and is currently exploring other biblical artifacts around the world. He has appeared on numerous TV and radio programs including: *The O'Reilly Factor*, *Hannity and Colmes*, *Faith under Fire*, *Politically Incorrect*, *The Bible Answerman*, and *Focus on the Family*. He has a doctorate in Apologetics and is a former Naval Aviator who served in the Pacific, Indian Ocean and Persian Gulf.

specialty tracks

Registration for Specialty Tracks, Tues., Sept. 18, 7-9 p.m. & Wed., Sept. 19, 8-9 a.m.

EXECUTIVE DIRECTOR TRACK

Serving as an Executive Director demands time and energy. Issues of burn out, compassion fatigue, clear communication and family balance are challenges every director will eventually encounter. Fighting on the frontlines for life can deplete your emotional stamina if you are not prepared to recognize the need for refreshment and spiritual renewal. This specialty track will assist you in identifying issues that are a barrier to effective leadership. Learning how to identify and overcome the pitfalls will increase strength and longevity of your service.

NEW DIRECTOR TRACK

NEW DIRECTOR – Wednesday only

NEW DIRECTOR TRACK – Thursday - Saturday

SERVING WITH CARE AND INTEGRITY VOLUNTEER TRAINING* - Thursday-Saturday
This track is designed for the new director at an established Care Net affiliated main center. Wednesday's advance session will prepare the new director in the areas of marketing, public relations, development and leadership, while the remainder of the days will equip you to train volunteers. Attending all four days of this track meets your affiliation requirement. Serving with Care and Integrity manual is included. (Closed Track)

**If you are a new director, but have been on the staff of your center for a year or more and are already equipped to do the training, you need to only attend Wednesday sessions.*

ABSTINENCE KISSN – KEEP IT SIMPLE & NURTURING

Is your center looking for an effective abstinence program that doesn't require full-time staffing? Do you need a supplemental program to use with your existing curriculum? Then join us for KISSN training! You'll be equipped to present in both public school and church settings. You'll learn how to interactively communicate essential components without only have a one-shot invite. You will also be taught an easy to follow format for a session that challenges and educates parents. Cost on materials: \$45.00 (includes manual, challenge cards and publicity brochures)

CAMPUS MINISTRY AND OUTREACH

With a reported 1 out of 5 abortions performed on college students, campus outreach has become vital to the mission of pregnancy center ministry. This full-day specialty track will provide attendees with practical information, advice, and tools for expanding or improving their ministry to reach local campuses. Workshop leaders will discuss topics as: how to expand your ministry to include sexual health services, how to effectively market and promote campus ministry, and how to facilitate partnerships with and recruit volunteers from existing student groups. Additionally, attendees will receive information on resources and support available through Care Net new campus initiative.

CHURCH CHALLENGES

The Church is dealing with an unprecedented spiritual attack related to our declining moral culture. Paralyzed by an overwhelming trying to raise children in an age of sexual promiscuity, and our children, from toddlers to teens, are bombarded by a constant message that truth is relative and that exploring any kind of sexual behavior is normal and appropriate. A significant part of upholding the sanctity of human life is by coming alongside the church, partnering with parents to raise Godly children in an evil age, as well as equipping, encouraging and exhorting the Church to its rightful place at the forefront of restoring the sanctity of human life.

The primary mission of Care Net pregnancy centers is to show the love of Christ to our clients in both word and deed. Understanding the post-modern mindset and communicating to diverse cultures and denominations are the evangelistic challenges pregnancy centers face with their clients. Learn how to effectively minister the compassionate love of Christ and reveal His saving grace to a diverse and changing world.

Fundraising is vital to all pregnancy centers. Biblical fundraising is the ministry of encouraging others to give. You are asking your donors to become partners with you in fulfilling the goal and vision God has given to this ministry. Building relations with donors, foundations, and your entire contingency will broaden your support base and strengthen community relationships. Image branding, capital campaign, and planned giving are vital fundraising components to bolster growth and advance the pregnancy center ministry.

Ordained minister and founder of Teaching the Word Ministries, Keith Yoder, will be leading a five part workshop series designed to help centers follow the Biblical model for leadership development. Keith will introduce attendees to his "5C" model: Christ, Community, Character, Calling, and Competency. He will challenge existing pregnancy center leaders to follow Christ's model for training up disciples and leaders and will encourage them to take these principles back to their centers and implement them as they seek to train and develop new leaders.

SPECIALIZED TRAINING: The Specialty PACE (Post Abortion Counseling and Education) track is for leaders who desire to serve in the field of post-abortion ministry. Come learn from those that have experience and a calling in this field. Equip yourself to lead and serve post-abortive clients.

PEACEMAKERS: The Peacemaker seminar will equip you to respond to difficult situations and people with a biblical perspective. The principles covered in the seminar have been used to resolve hundreds of disputes, ranging from interpersonal conflict, family and marital conflict, church divisions, boardroom battles, personal disputes, and complicated lawsuits. The training covers topics such as confession, confrontation, forgiveness, and reconciliation and employs gripping examples and case stories from everyday life.

PUBLIC RELATIONS: Teri Goudie, a media trainer for Fortune 500 companies, returns this year for an intensive training on how to conduct media interviews. In an era of increased scrutiny by the media and public officials, it is critical that every pregnancy center leader be prepared to interact with the media. Don't miss out on this incredible opportunity to be equipped by one of the nation's top media trainers. Participants will practice on-camera interviews and receive personal critique. In addition, throughout the day, you will rehearse solid answers to hostile and tricky questions. Participants must attend the entire day of workshops as the training will be sequential.

STD TRAINING: This course is a comprehensive overview of the implementation of STD testing in a Pregnancy Crisis Center setting. It will cover every aspect of initiating an STD program from community research and funding to the nuts and bolts of specimen collection and treatment options. Participants will learn ways to incorporate sexual integrity material in an effective and life-changing manner. Continuing education credits (CEU) will be offered for nurses in attendance.

Conference Schedule

WEDNESDAY September 19, 2007

SPECIALTY TRACKS

8 AM – 9 AM REGISTRATION FOR SPECIALTY TRACKS
Care Net Resource Table Open
Welcome Table Hosted by Kentucky Pregnancy Centers
